### SCREEN 3 / PANTALLA 3

**Public Question #1**
Constitutional Amendment to Give Certain Veterans’ Benefits to Residents of Continuing Care Retirement Communities

Do you approve amending the Constitution to allow eligible veterans to receive the value of the veteran’s property tax deduction if they reside in a continuing care retirement community? The deduction shall be provided to a continuing care retirement community, which shall pass the value of the deduction on to the eligible veterans who live there.

**Interpretive Statement**

This amendment would allow eligible veterans who live in a continuing care retirement community to receive the value of the property tax deduction currently granted to veterans who reside in private residences. This amendment would provide the veteran’s property tax deduction to a continuing care retirement community on behalf of eligible veterans. The total amount of the deduction given to a continuing care retirement community would be based on the number of eligible veterans who live there. The community would be required to pass the value of the deduction on to each eligible veteran who resides in the community.

**Question Publica #1**
Enmienda Constitucional Para dar ciertos beneficios de veteranos a los residentes de comunidades de retiro de cuidados prolongados

Do you approve amending the Constitution to allow eligible veterans to receive the value of the veteran’s property tax deduction if they reside in a continuing care retirement community? The deduction shall be provided to a continuing care retirement community, which shall pass the value of the deduction on to the eligible veterans who live there.

**Declaración Interpretativa**

Esta enmienda permitiría a los veteranos elegibles que vivan en comunidades de retiro de cuidados prolongados recibir el valor de la deducción del impuesto a la propiedad si residieran en una comunidad de cuidados prolongados. El valor de la deducción se pasaría a las comunidades de cuidados prolongados en nombre de los veteranos elegibles.

El valor total de la deducción se dará a una comunidad de cuidados prolongados basada en el número de veteranos elegibles que vivan allí. La comunidad tendrá que pasar el valor de la deducción a cada veterano elegible que resida en la comunidad.
